

If you are concerned about the future of the Potter Valley Project and the water supply provided by the Project to the communities in the Russian River, please consider signing onto the attached letter addressed to Congressman Jared Huffman questioning his recent statements on a potential decommissioning of the Project. The letter will be submitted to Congressman Huffman prior to his next Two-Basin Solution group meeting on October 29th.

Please submit all signature pages, full or not, to the Farm Bureau office by noon on October 28th:

- Email: director@mendofb.org
- Fax: (707) 462-6681
- Drop off: 303-C Talmage Road, Ukiah

Thank you for participating to support our local water supply infrastructure!
